LAKEWAI INDEPENDENCE DAY PARADE

4 July 2013

We had a good turn out at the Lakeway 4th of July parade with a total of 10 vehicles. We staged at the usual place and loaded the Vietnam Vets to take to our parade staging area. At around 0830, we started to move to yet another staging area to wait our turn in the parade. Once started, the parade was great with huge crowds lining the street from start to finish. Once completed, some went to Rudy's and some went to Mimi's Cafe while others went home or to other celebrations. The Vietnam Vets got a honorable mention ribbon, member John B. and the horse Tiger got a 3rd place ribbon in the civic category and the rest of us won the hearts and gratitude of everyone at Lakeway.

LOCAL INDEPENDENCE DAY PARADES

4 JULY 2013

Several Lone Star members around the state participated in Independence Day parades in their areas, GOOD SHOW to all!

LEANDER CAR SHOW

MONTHLY

Every month, on the first Sunday of the month, the City of Leander hosts a car show in the old downtown district. Every month a WIDE variety of vehicles are put on display, everything from high end exotics to rusty Army trucks (that is our part). Lone Star MVPA, providing vehicles

MVPA NATIONAL CONVENTION, PORTLAND

25-27 JULT 2013

Club members Rory C and Sam R drove the 2200 mile (ONE WAY) trip to Portland Oregon for the 37th MVPA National Convention. Toby C flew there, as befitting a Board Member... There were many excellent vehicles there, including participants of the recent Alaska Convoy, and vehicles brought by Canadian members!

Our friend Dave C took a Master Class Gold award for his excellent V100 Commando named Proud Mary!

NATURALLY FIT CAR SHOW

27 JULY 2013

We were located at the south end of the building with cover for those with a 1/4 or less of fuel in their tanks. And yes they did inspect the levels. The members from our outfit that came were Fred H., Rick H., Allan G., John K., Madison H. and myself. We had a nice spot and a good breeze so it wasn't bad at all until load up time when the sun began to hit the spot. The Car Show and the Fit Show were fun with lots of hard and soft eye candy. As always the folks enjoyed seeing our vehicles and I'm looking forwards to the show next year.

HOOTERS CAR SHOW

28 September 2013

In attendance were Barry F (Servi Car), Madison H (M37), Robert R (M35 Gun Truck) and Bobby M (HMMWV). The day was hot, the girls sweet and the food good. Barry F took home the Best Military award!
